Stanley County Population Trends

1920	1940	1960	1980	1990	2000	2010	2020
2,908	1,959	4,085	2,533	2,453	2,772	2,720	2,641

Where People Live: 2000				
	South Dakota	Stanley	Hughes	Jones
Urban	51.92	63.67	75.52	0
Rural-Farm	7.72	9.43	1.71	19.78
Rural-Non farm	40.36	27.00	22.77	80.22

Stanley County Population Highlights

- From 1990 to 2000, Stanley County **gained 319** residents which was a **13.0% increase** in its total population.
- From 1990 to 2000, Stanley County **gained 192 residents to in-migration**, which was a **7.8% increase** in its total population.
- **27.06%** of Stanley County's population is **under the age of 18**, while **11.00%** is aged **65+**.
- Stanley County's **median age is 37.6**. This is similar to Hughes County and younger than Jones County.
- Stanley County's **sex ratio is 101.60**, meaning that there are about 102 males for every 100 females. This is higher than Hughes, but lower than Jones.
- Stanley County's **fertility rate is 66.9** births for every 1,000 females aged 15-44. This is higher than both Hughes and Jones counties.
- From the population pyramid, we can see that a large portion of Stanley County's population aged 20-29 is migrating out of the County.

Race/Ethnicity in Stanley County

Stanley County's Agriculture in 2002

- Stanley County had **166 farms**, which was a **12.6% decrease** from 1997.
- Stanley County's **average farm size was 5,219 acres**. This was a larger than both Hughes and Jones counties.
- Stanley County's **average net farm income was \$5,228**, which was lower than both Hughes and Jones counties.

Stanley County Economics in 2000

- Stanley County's **per capita income was \$20,300**. This was lower than Hughes, but higher than Jones.
- Stanley County's **median household income was \$41,170**. This was lower than Hughes, but higher than Jones.
- **22.1%** of Stanley County's residents aged 25+ had **completed a B.S. degree or higher**. This is lower than Hughes, but higher than Jones.
- **8.65%** of Stanley County's population was **living at or below the official poverty line**. This compares with 13.18% for the state of South Dakota, 7.98% for Hughes County, and 8.36% for Jones County.
- **14.67%** of Stanley County's **children under the age of 5 were living at or below the official poverty line**. This compares with 19.77% for the state of South Dakota, 12.52% for Hughes County, and 28.07% for Jones County.
- **63.5%** of workers living in Stanley County **commute to another county to work**. This is a higher percentage than any other surrounding county (Faulk, Hughes, Hyde, Potter, and Sully). This may be because Fort Pierre is adjacent to Pierre.
